

ISLE OF EIGHT FLAGS SHRIMP FESTIVAL VENDOR INFORMATION

The following categories are the only vendor areas accepted into the Isle of Eight Flags Shrimp Festival. **We do not have a marketplace** for "buy/sell" or retail items as our festival is located in an historic business district; however, sponsorships with selling privileges are available (see below information to apply). We also do not allow informational/fundraising/not-for-profit displays to be set up in the festival area. All vendors must be approved and registered with the Shrimp Festival Committee, and must adhere to the Official Shrimp Festival Regulations, which will be posted on the new website. Anyone in non-compliance will be escorted by Festival Security from the festival area. **Please refer to your specific vendor category in any correspondence.** Contact information is contained within each Vendor Category below. Contact is preferred via email and will be sent to the appropriate Shrimp Festival Committee Director. Thank you for your interest in the Isle of Eight Flags Shrimp Festival!
